

REMARKS

Applicant gratefully acknowledges that the examiner has indicated that claims 14-21 contain allowable subject matter. Claim 11 has been amended to include the features of claim 14. Therefore, claim 11 is patentable and it follows that the dependent claims 12, 13, 16 and 18-22 also are patentable.

The opportunity has been taken to correct a minor error in claim 16.

Claims 15 and 17 have been rewritten in independent form as new claims 23 and 26. In addition, new dependent claims, based on the previous dependent claims but further developing the features of claims 15 and 17, have been added. Claims 23 and 26 are patentable and it follows the dependent claims 24, 25 and 27-32 also are patentable.

Respectfully submitted,

John Smith-Hill
